Helpful Hints for Party Planning

Food Quantities

The time of day and purpose of the occasion will influence the quantity of food you will need. If you are serving light snacks or refreshments during or near meal times, you will typically need a larger quantity than between meal periods. The quantities planned for per person events are average size portions. We can help you determine the appropriate amounts for your group.

Lead Time

Notice of 48 hours is appreciated, however, we will do our best to accommodate all late orders that are received. If an order is placed less than 48 hours, a \$25.00 late fee may be assessed.
